

## HEALTH AND SAFETY POLICY

It is Almetron's intent to **demonstrate** an ongoing and **determined commitment** to improving health and safety at work throughout our organisation. We will endeavour to ensure the health, safety and well-being at work for all of our people and any other people who may be affected by our work and business activities.

We will be compliant with all current UK Health and Safety legislation and regulations relating to the people in our organisation.

Within the scope of its resources Almetron is committed to provide the equipment, best available technology, training and supervision to maintain a safe and healthy working environment.

### **SCOPE.**

Our policy applies to all people employed by Almetron.

Almetron will always endeavour to secure the health and safety of all persons known about who are legally entering their site by making them aware of the Health and Safety rules and practices that apply.

During all of its external activities Almetron will maintain its compliance with current HSE regulations. Almetron is also committed to abide by any safety rules that are in force at its customer's premises that members of Almetron will attend.

### **COMMITMENT.**

- Monitoring and developing its **operating procedures** with the aim of bringing **continuous improvement** to the workplace and environment.
- Placing the **people it employs and product user's safety as paramount** in design, manufacture and operating of its products.
- The **induction and training** of its people enabling their awareness and interpretation of the rules and regulations, helping to ensure their safety and that of others.
- We will engage and collaborate with all contractors and others officially entering our site to ensure that their health and safety, understanding and competence fulfil our expectations.
- The provision of sufficient information for its customers and persons acting on its behalf to fulfil their safety obligations and conduct tasks and business in a **responsible, competent and safe manner**.
- Acting in responsible way towards community and the environment.
